About this Form

Getting to know potential students in more detail, both academically and personally, is important and valuable. Report cards do provide some of what we want to learn about a student, however, the information given there can vary greatly in detail from school to school. This recommendation form provides us with a more comprehensive picture of the student.

We ask that all students applying to MBCI give this form to a current teacher who teaches them a core subject such as English, Social Studies, Math, Science. Please contact our admissions office if you are unable to secure a current teacher to complete the form.

Parent(s)/Guardian(s): All information provided is confidential and is intended for our admissions department only. It will not be shared. Please fill in your child's name and school and pass the form on to a current teacher to complete. We ask that the teacher return the form directly to MBCI.

Teacher(s): The student listed above has applied for admission to MBCI. Based on your knowledge of the student please complete the form to the best of your ability and submit it to MBCI as soon as possible. We appreciate you taking the time to do this. Your remarks will remain confidential and will not be added to any permanent record.

Please return to Admissions at MBCI, Attention Karin Friesen
