MBCI'S NEWSLETTER

JUNE 2024

From the Principal's Desk

As I sit down to write this note, I am mindful that we have just come through a series of school events that would feel quite familiar to many of you as alumni and hopefully hold many great memories.

MBCI hosted the CAMS Music Festival several weeks ago. After a break of eight years, it was so good to experience again this gathering of Anabaptist schools and the collaboration and quality of performance that are produced. Our Senior Music Students returned from a tour to Chicago, along with all of the growth in musicianship and strengthening of relationships that goes along with that MBCI tradition. Spring also holds many activities we return to year after year, like Canoe trips, Carnival Day, and our Graduates' Breakfast.

I am confident that if you return to campus - or have a conversation with our current students – there is much that would bring back memories from your own time at MBCI.

I am confident, also, that there is much you would find to be new at MBCI. While we build on the foundation that was set for us almost 80 years ago, our vision for learning and growth looks toward the future.
