

A New Chapter for the Red Gym Begins!

After months of anticipation, we are thrilled to share that the Red Gym Refresh is nearing completion! Beginning **Thursday, November 12th**, our students will be the first to experience the refreshed space, with Hawks athletic programming and community rentals also resuming that day.

This marks an exciting new chapter for a facility that has been part of MBCI life for generations. As we approach the finish line, we are filled with gratitude for the generosity, prayers, and support of the many families, alumni, and friends who have helped bring this project to life.

We look forward to welcoming our wider MBCI community on **Wednesday, December 2**, for an evening of celebration as we officially open the refreshed Red Gym, reflect on what we have accomplished together, and give thanks for God's faithfulness throughout this journey. Join us for this special opportunity to see the transformed space and celebrate what we can accomplish when we move forward together.
